Historical Survey

Over thirty years ago much of old Finchley Common, the one-time haunt of Dick Turpin and other notorious highwaymen, was untouched by the hand of the builder.

Then the Urban District Council of Finchley legislated for an estimated population of 33,000, for whom there was no hospital accommodation in the immediate neighbourhood. This need inspired the energies of a group of public spirited residents in the Finchleys who conceived the idea of founding a hospital in their midst, and held their first meeting in a room over Mr. E. Danby's shop in the High Street, North Finchley.

Thanks to the generosity of the late Mr. Ebenezer Homan two acres of land were acquired on the edge of the old common and in sight of the Great North Road and as a result of the ready response to the public appeal a hospital of 18 beds was erected there and was opened in 1908 free of debt and having the name of the Finchley Cottage Hospital. The first Chairman of the Committee of Management was the late Mr. E. A. E. Woodrow, and other original stalwarts were Mr. E. Danby and Dr. T. W. Hicks. Numbered amongst the Honorary Medical Staff of ten were Drs. W. R. Orr, W. S. Rooke and C. F. Winkfield. The first two are still active and energetic members of the Staff. The first Honorary Consulting Staff consisted of Sir D'Arcy Power, K.B.E., and Dr. J. Porter Parkinson.

After the Great War the district grew very rapidly and an appeal was made to the public for funds to enlarge the Hospital as a War Memorial. The driving force for this appeal was provided by the galvanic energy of Dr. T. W. Hicks, M.B.E., J.P., and by 1922 £22,000 had been raised, a Nurses' Home had been built, and an additional ward added, bringing the hospital accommodation for patients up to 47. The War Memorial Extension was dedicated in November 1922, by General Sir Ian Hamilton, and the Cottage Hospital became The Finchley Memorial Hospital. Two more acres of ground were acquired in 1923, in anticipation of further extensions.

In 1928, on the retirement of the late Mr. Walter Cope, who had succeeded Mr. Woodrow in 1911 and had filled the chair for 17 years with outstanding ability, the late Mr. Lionel Savory was elected Chairman of the Committee of Management. Those responsible for the management of the Hospital were keenly alive to the changing conditions around them and, visualising the effects of the rapidly increasing motor traffic, boldly took the pioneer step in 1927 of erecting male and female Casualty Wards and Casualty Operating Theatre with convenient access by a separate entrance, thus enabling accident cases to be dealt with promptly and without disturbance to the other patients.

In 1930 fresh extensions were planned and by 1933 the Nursing Staff had been provided with a dining room, sitting rooms, and their sleeping accommodation had been increased by 14 more bedrooms. This new extension also added to the Hospital 26 single rooms for private patients, together with a Solarium, and constitutes a block of Private Wards which compares favourably with any in the country and fills a much needed want in the District. This new wing was opened in March 1933, by the Right Hon. the Lord Horder, who graciously consented to become a member of the Honorary Consulting Staff, which by this time had increased to 13 and comprised gentlemen of the highest repute in every branch of medicine and surgery. The Hospital has grown to 72 beds with an Honorary Medical Staff of 29 and a Resident Medical Officer.

Mr. Lionel Savory, who had with such ability and zeal presided over the Committee of Management whilst the great years of growth were taking place, died in October 1935, and in the following year Sir Harold Bellman, M.B.E., J.P., was elected Chairman. On his resignation in 1938 he was succeeded by Major Renold Marsh, M.C., who is tireless in his efforts to promote the welfare of the Hospital.

THE THIRTY-SECOND ANNUAL REPORT

of

THE FINCHLEY MEMORIAL HOSPITAL

for the year 1939.

The Committee of Management present the Thirty-second Annual Report on the work of the Hospital together with Statement of Accounts for the Year ended 31st December, 1939.

No reminder is needed that for the first eight months of the year we were actively engaged in preparing for War, while for the remaining months were actually at War.

Under the Emergency Hospital Service organized by the Ministry of Health we are scheduled as a 70 bed Casualty Hospital in Sector III of the London Area. Immediately prior to the declaration of war, instructions were received from the Ministry to evacuate as many patients as possible, with the result that for some time we had very few patients.

These extraordinary circumstances have profoundly affected the statistics of the Hospital for the year under review; but in accordance with the procedure laid down by the King Edward's Hospital Fund for London the average cost figures given in this report are based on the first eight months only.

Until just before the outbreak of war our services to Finchley residents and also to non-resident road casualties were well up to the records established for the preceding year, whilst the number of X-ray examinations reached an all-time record.

549 Operations were performed, mainly in the eight months—a number of them by members of the Honorary Consulting Surgical Staff.

During the year 1,090 patients were treated. On an average these patients remained in the Hospital for 17.59 days and cost £11 19s. 8d. per patient or £4 15s. 4d. per patient per week.

As a result of the war the income has suffered a serious decline but to a limited extent the deficiency has been made up by the increased generosity of many regular and other subscribers. On the other hand, grants from the Ministry of Health for air raid casualties have formed a valuable and indeed indispensable addition to our funds; but this source of income cannot be relied on and in any case leaves us with a loss.

An outstanding feature of the year has been the extensive preparations for the reception and treatment of air raid casualties, in which the Honorary Medical Staff and many other voluntary and other bodies have rendered splendid service.

On the strengthening and protection of the Hospital buildings a sum of well over £2,000 has been expended, most of which has been provided by Government grant. The whole of this work was planned and supervised by a special Air Raid Precautions Committee and warm thanks are due to this Committee who have been indefatigable in their labours.

During the year a self-contained block of flats adjacent to the Hospital was leased and furnished to provide accommodation for the Nursing Staff. This step was taken after most careful consideration of all practicable alternatives and has afforded very welcome and indeed essential improvements to the staff accommodation.

The question of providing Private Maternity Wards, which was under discussion last year, has had to be postponed for the present.

The Committee have under consideration the question of Incorporation of the Hospital. This is a step which has been adopted increasingly of late by other Hospitals and offers many advantages. It is partly with a view to this measure that the Committee recommend the alteration of Rule 18.

The expenditure of the Hospital has again been subjected to close scrutiny and further economies have been effected although these are to some extent masked in the accounts as a result of the extraordinary conditions prevailing since the outbreak of war.

One of the pleasing features of a difficult year has been the help of all kinds received and offered just before and since the outbreak of war. However, we have lost many helpers through evacuation, military service, A.R.P. and other public and private activities. Others have volunteered their aid and, although sometimes we think we can never fully replace our old friends we are almost daily encouraged by the kindness of new ones and the added labours of the old ones who remain.

The retirement owing to ill-health of our Vice-Chairman, Mr. Charles Andrew, M.P.S., is deeply regretted. He served the Hospital as Honorary Pharmacist and in many other ways for thirty years and his loss is deeply felt. We are pleased to say that Mr. R. Garnett Pickles, M.P.S., has very kindly consented to act as Honorary Pharmacist.

The Committee record with the utmost regret the death of Dr. R. P. Langford-Jones, who for many years was one of the leading figures in the Hospital. They desire to place on record the generous gift to the Hospital of a microscope by the Honorary Medical Staff in his memory.

Towards the end of the year it was decided after prolonged deliberations to adopt the practice, followed by most of the leading Hospitals of this size and appoint a House-Governor, and we were able to secure the services of Mr. J. Coxon Ince, A.H.O.A., who commenced his duties just prior to the publication of this Report.

GUILD OF SERVICE. The Committee gratefully acknowledge the continued splendid work of the ladies of the Linen League and Working Parties in providing and mending linen, surgical supplies and garments.

HONORARY COLLECTORS. The Committee were delighted to welcome a large number of Honorary Collectors to the Hospital on 10th June, when tea was provided by Mrs. Dixon without cost to the Hospital. Owing to war conditions (black-out, evacuation, etc.) it was found necessary to defer the House-to-House Collection, but we hope soon to resume this most important and valuable means of raising money.

EGG APPEAL AND POUND WEEK. The Egg Appeal was held during the week commencing 27th March. 7,018 Eggs were brought to the Hospital, this being a slight decrease compared with the previous year. Owing to the war, Pound Week had to be postponed until early in 1940.

HOSPITALS' WEEK. The Flag Day for all the Suburban Hospitals was held on the 13th May and resulted in £170.13.0 being added to the funds of the Hospital.

PATIENTS' LEAGUE. This League has presented to the Hospital a gift of four Ufix boilers, a much appreciated addition to the ward equipment. The League gives patients an opportunity of showing their appreciation in a tangible way and the Committee are grateful to its members for their support.

KING EDWARD'S HOSPITAL FUND FOR LONDON. On the 17th June the Hospital was inspected by Dr. H. MacCormac, C.B.E., M.D., F.R.C.P., and Mr. C. M. Given, visitors for the Fund. The Committee wish to record their grateful thanks for the invaluable help of all kinds which the Fund has given.

BENEFACTIONS. The following legacies were received during the year and are gratefully acknowledged:—

£500 bequeathed by the late Miss Beatrice F. Cooke

£2 bequeathed by the late Mr. E. H. Cox.

The late Mr. Ernest Owers also left a legacy to the Hospital, the value of which is not expected to be ascertainable for a considerable period.

LIBRARY. The Library for use by the patients, by whom it is much appreciated, has been brought up-to-date through the energetic work of the Honorary Librarians, to whom the Committee express their grateful thanks.

HONORARY CONSULTING AND HONORARY MEDICAL STAFFS. The Committee again have the pleasure to record their warm thanks to the Honorary Consulting and Honorary Medical Staffs for the splendid and untiring services which they have so willingly given.

STAFF. The Committee are also very pleased to take this opportunity of thanking the Matron, Miss M. A. Camp, who has had an exceptionally busy year with added work in training members of voluntary Nursing Services, Miss O. M. Knott, the Assistant Matron, and the Nursing and Domestic Staffs for their loyal and devoted services. Warm thanks are also due to Miss M. A. Bruce, the Secretary, the Administrative Staff and Miss Harker, the Almoner.

ANNUAL GENERAL MEETING. The Annual General Meeting was held at the Hospital on Wednesday, 26th April, the Chair being taken by Mr. John E. Crowder, M.P., the President.

The Annual Report and Accounts for the Year were received and adopted.

The Committee of Management was re-elected except Miss K. S. Mummery, who was prevented by other public duties from seeking re-election, Mr. A. H. Post, F.S.I., F.A.I., being elected in her stead.

The Honorary Officers were duly elected.

Alterations were considered, and approved, to the Rules of the Hospital by deletion of Rule No. 21 and revision of Rules Nos. 10, 18, 20, 24, 25, 26, 28, 29, 30, 31, 32, and 33.

COMMITTEE OF MANAGEMENT. During the year Mrs. Dixon and Mr. C. T. Welch resigned and the Committee wish to record gratitude for their energetic and untiring efforts.

VICE-PRESIDENTS. The following have been elected Vice-Presidents:—
Mr. Merton A. Jones, and the Rev. O. Tunnell in succession to the Rev. L. T. Towers.

CHAPLAINS. The Rev. E. Pelham Thompson resigned on his retirement, and the Rev. L. T. Towers also resigned on his leaving the neighbourhood, the Rev. R. Angel Wakely being appointed in his stead.

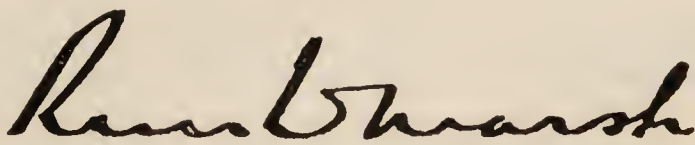

To both these gentlemen the Committee extend their grateful thanks.

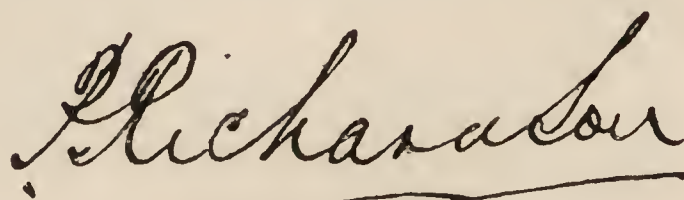

THANKS. The Committee thanks most warmly every one of the large number of kind friends who by their generous gifts and in other ways have helped the Hospital during the past year. Lack of space alone prevents their being named here individually.

FINANCIAL STATEMENT AND APPEAL. The Expenditure was £14,775 5s. 2d. as against £13,684 8s. 2d. for the previous year, an increase of £1,090 17s. 0d. notwithstanding the reduction in the number of patients on the outbreak of war. This increase is accounted for mainly by the fact that the Staff had to be maintained at full, and indeed above normal establishment, during the whole year and by higher prices for almost every commodity

The Income excluding legacies amounted to £13,584 16s. 1d. as compared with £14,396 9s. 10d. for 1938, part of the former figure being represented by Government grants. The year's work has therefore resulted in a deficit of £1,190 9s. 1d. Prices are continuing to rise and even with the utmost care, the expenditure of the Hospital can hardly fail to increase. We can expect no more from the Government than is enough to pay, on the lowest possible accounting basis, for the service which we render. On the other hand, we retain our character as a Voluntary Hospital, free and able to give the highest service to residents of Finchley and surrounding districts.

In order to meet the ever increasing demands on the Hospital and to improve its service still further, the continued support of all subscribers and contributors in a generous measure is urgently necessary.

Chairman.

Hon. Secretary.

APPEAL COMMITTEE.

In our previous report we announced the resignation as Chairman of this Committee of our friend Dr. R. P. Langford-Jones, and it is with deepest regret that in our report of this year we have to record his passing on the 18th March, 1939. His loss was felt acutely by his many friends at the Hospital but it is probable that in no sphere of his activities will he be more missed than in connection with his work on the Appeal Committee. At his request his friends were asked to send donations to the Hospital instead of flowers and the amount collected, £117 16s. 6d., has been set aside as a Memorial Fund. It has been decided that the present time is not suitable for embarking on any expenditure in this direction and therefore this Fund is being held in abeyance until after the War when some suitable method of benefiting the Hospital will be found.

Money during 1939 has not been easy to find but despite this fact the Members of the Appeal Committee have as usual been untiring in their efforts to benefit the Hospital. The Annual Ball at Park Lane Hotel on Friday, May 12th, produced the very satisfactory sum of £285. Flag Day realised the sum of £131 12s. 11d., and Mrs. Guerrier's and Mrs. Lane's dances produced £12 and £18 13s. 6d. respectively.

A cheque has been received this year for £50, which was the amount allocated to our Hospital as a result of the Ball held at the premises of Messrs. Standard Telephones and Cables Co., Ltd., who very kindly suggested that they would loan their buildings and staff and give every possible facility for the running of this Ball by the local Hospitals and Nursing organisations, the profits to be divided between them. The Ball was held in November, 1938, and was much enjoyed by all present.

The Whit Monday Fête organised by Mr. Dominy and his splendid band of helpers, to whom our grateful thanks are due, was again a most successful occasion, the profits amounting to £146.

The War has necessitated considerable changes in our methods of raising money and it is improbable that we shall be able to hold either our Annual Ball or the Whit Monday Fête in 1940. This will mean a very serious loss in income which the Committee is endeavouring to make up to some extent in other ways. Small local functions must of necessity replace our bigger efforts of recent years for obvious reasons and the Committee most earnestly ask for the support, co-operation and ingenuity of the many friends of the Hospital both in and out of Finchley in raising money for the Appeal Fund during the coming year. At the same time the Committee wish to thank their many friends for all they have done during the difficult year just past. Full details of amounts received from all sources will be found on page —.

Chairman.

HONORARY MEDICAL STAFF

The medical work of the Hospital has been much interfered with during the year by the War Emergency Service. Some of the senior members of the Staff along with three of the ladies were appointed to act under this scheme. Much work has been done to prepare the Hospital for treatment of Service sick and wounded. The Staff have also studied to bring themselves up-to-date in the treatment of wounds caused by Air Raids.

It is with deep regret that we have to record the loss we have sustained through the death of Dr. R. P. Langford-Jones. In his memory the Staff presented the Hospital with a Microscope suitably inscribed.

Three of our members are on active service—Drs. Gibson, Gurney and Isaac.

Dr. A. P. Kitchin resigned during the year; Dr. Audrey Freeth was appointed R.M.O. in his place for six months and she has been followed by Dr. Eric K. Gardner.

We wish again to thank the Matron, Nurses, Masseuse and Radiographer for their valuable help. We would also at this time wish to acknowledge the help rendered by the Office Staff in connection with the extra work under the War Emergency Scheme.

J. D. HOLMES,

Chairman.

President—ADELE, COUNTESS CADOGAN.

LINEN LEAGUE.

Since the League was inaugurated in 1925 excellent opportunities of providing the Hospital with linen, bedding and garments have been available to the residents of the area served by the Hospital. Each year very useful, at the same time beautiful, gifts have been contributed by the Linen League.

The Fourteenth Annual Exhibition of work, held on 6th June, 1939, was no exception and made a very valuable addition to the Hospital Store. Under War conditions the needs of the Hospital are greater than ever before and new members are urgently required to help the League.

The list of members, given hereunder, have the warmest appreciation of the Committee for their efforts.

FREDA MAKIN,
Honorary Secretary, Guild of Service.

X-RAY DEPARTMENT

This Department was opened in January 1917 and has been considerably enlarged and re-equipped since then. The facilities offered are available not only to In-Patients but also to Finchley residents in general. Such patients must be recommended by their own Doctors who will make the necessary appointments.

The fees payable vary according to the extent of the examination required and may be ascertained on application at the Hospital. 1,528 examinations were undertaken during the year 1939.

A PRIVATE ROOM

The Private Ward Block was opened in March 1933 and consists of 26 separate rooms at charges varying from four to seven guineas per week. The total cost of the building and equipment was approximately £20,000. Since this new block was opened, 2,965 patients have been admitted. Subject to certain rules and regulations, private patients may be attended by their own Doctors although not on the Honorary Medical Staff of the Hospital.

The Visiting Hours are 10.30 to 11.30 a.m.; 2.30 to 3.45 p.m.; and 7 to 8 p.m. daily.

ENDOWMENT AND NAMING OF BEDS AND COTS

An Endowed Bed or Cot in the Finchley Memorial Hospital would provide a very appropriate Memorial to a dear relative or friend.

Subject to the Regulations of the Hospital every Donor of £1000 or £500 for the Endowment in perpetuity of a Bed or Cot shall have the privilege of Naming such Bed or Cot, and also of nominating patients to occupy same, provided the cases are suitable and accommodation permits.

Every Donor of £250 or £100 shall have the privilege of Naming a Bed or Cot respectively during his or her lifetime, or during the lifetime of a person nominated by the donor.

Contributions Under Deed of Covenant

If you are willing to subscribe for a period of seven years, the Hospital can add to your contribution the appropriate amount of income tax.

In other words, the Hospital can increase your contribution **without extra expense to yourself** because it can recover income tax paid, being itself exempt.

All you need do is to apply to the Secretary, Finchley Memorial Hospital, Finchley, N.12, for a special form, for completion and return.

If you will do this NOW, the Hospital will get the benefit of the increase on this year's contribution. **The amount you actually send to us remains the same.**

There is only one essential condition—that you are an income tax payer, and that you pay enough tax at the standard rate to equal the difference between your actual net contribution and the gross sum.

If you are a super-tax payer, you can in your Super-Tax Return include the gross sum as a charge against your income and so reduce the total on which you pay super-tax.

**If subscribers would do this,
the income of the Hospital
would be considerably increased.**
